

EventBrite Recruiting Text for Volunteers

Volunteers Wanted

Pedal Play – a mobile (moving) bike safety rodeo - is seeking volunteers. The event is planned for **Sunday, June 4th, 2017 from 1 to 4 pm in Kanata North**. Groups of primary and high school children and adults will be cycling through the community via roads and pathways, visiting interactive activity stations to learn and practice bike safety skills. Many of the volunteer jobs require confident cyclists with bikes in good working order, although there are some stationary jobs for non-cyclists. All cycling volunteers will receive training in advance.

The route starts and ends in Beaverbrook at W. Erskine Johnston Public School. It is approx 7km in length, and follows multipurpose paths and roads in the community of Kanata North.

The purpose of the Mobile Bike Rodeo is to provide bike safety knowledge, for three demographics:

- Younger children; (primary school), to be capable of biking to school or their community park, safely with increased competence and confidence;
- Older children; (high school), to learn that they are a vehicle under the Highway Traffic Act, and gain the knowledge to cycle accordingly; and
- Adults; to become familiar with:
 - the applicable portions of the Highway Traffic Act (incorporating the legislative changes to Bill 31; Transportation Statute Law Amendment Act (Making Ontario's Roads Safer), which came into effect 01 Sep, 2015, and are directed at encouraging cycling, promoting road safety, and sharing the road),
 - and the set fines.

Volunteer first name _____

Volunteer last name _____

Email address _____

Retype Email address _____

Home phone number _____

Cell phone number _____

(Please note the cell phone number will be used during the event to enable organizers to contact volunteers for safety and organizational reasons.)

Student If a student - please provide your age: ____

Organization (optional) _____

Do you consider yourself an experienced cyclist? YES NO Comment _____

Where do you normally cycle? _____

Have you taken any cycling training such as CanBike? YES NO If yes - what and when?
